1. Reference is made to your memorandum, dated 8 December 1948, concerning the above subject. It is attached a Memo-
randum For The Record, signed by [redacted] dated
23 November 1948. That memorandum is returned herewith. You
point out that at the time subject entered on duty, she signed
a Form No. 51-104. You request a decision be rendered con-
cerning the validity of the waiver granted by the Assistant
Director for the Office of Policy Coordination.

2. Form No. 51-104 is a form prescribed and used as a part
of CIA [redacted] dated 21 June 1948,
signed by the Director. It is provided in that instruction that
appointments of employees to be paid from unexpended funds will
be made where employees are specifically employed for overseas
duty on the prescribed form No. 51-104. The Assistant Directors
for Operations and Special Operations are authorized, in their
discretion, to require acceptance of an agreement prescribing a
tour of less than twenty-four months where it is determined to
be in the best interests of the Government. The effect of [redacted]
memorandum of 23 November 1948 is a conditional waiver
of the requirements of Administrative Instruction No. 28-7 as
to length of overseas service required.

3. Since [redacted] was signed
by the Director, and no objection, to the knowledge of this office,
has been provided for the Assistant Director for OGC, it would
appear that in so far as any violation from the prescribed tour
of duty abroad is concerned, the memorandum of 23 November 1948
is without effect. The question of whether a shorter tour of
duty abroad, based on possible health considerations would be
in the best interests of the Government is not raised, and conse-
quently, will not be answered by this office at this time.
